Request for Academic Advisor for Capstone Project

To facilitate your academic and professional journey during your capstone project, please complete the following details accurately. This form will assist in securing an academic advisor to guide you throughout your capstone period.

Section	Details
To	Faculty of Digital technology, Institute of Digital Technology, Cambodia Academy of Digital Technology
Subject	Request for Academic Advisor for Capstone Project
Student Information	**Full Name:** Von Visal **Group: 07** **Batch:** Generation 11 **Academic Year:** 03 **Department:** Department of Computer Science
Project Information	**Project Topic:** Khmer-English Code-Switching Speech Dataset **Start Date:** 1st October 2026 **End Date:** 30th March 2027 **Domain/Field of Project:** Speech Processing / Artificial Intelligence / Data Science **Project Description:** This project aims to curate and annotate a Khmer-English code-switching speech dataset from publicly available podcast and conversational audio. It includes validated transcripts, audio segmentation, precise timestamps, Khmer/English language identification, and code-switching annotation. The dataset will provide a research resource for developing and evaluating code-switching-aware Khmer ASR systems.
Request Details	**Preferred Advisor (if any):** Mr. KORAT Natt **Email:** natt.korat@cadt.edu.kh **Contact Number: 0**11 833 071
Declaration	**Von Visal**, as a leader of Capstone Project, confirms that the information provided above is accurate and complete. My team and I agree to follow the all-academic guidelines and instructions of our potential advisor. We take responsibility for completing the project honestly, ethically, and within the required timeframe. **Applicant Signature:** _  _____

	Date: 6th October 2026
Approval and Advisor Signature	**Assigned Advisor Name:** Korat Natt **Approval Date:** 08/10/2026 **Advisor Signature:**  **Remarks:** [Faculty Notes]
